

INFORMATION COVID-19

The safety of our guests and staff is of the utmost importance to us. Of course, we follow the Swedish Public Health Agency's directives and recommendations, but creating a safe environment is of course based on cooperation. This means that you as a guest also need to keep both distance and times and have a little patience so that we together can create a safe, secure and unforgettable Christmas experience!

In addition we have also taken the following measures:

Seating has been reduced by 1/3

The first serving takes place at the table

We seat a maximum of 8 persons per table, larger groups will be divided

Dining rooms are furnished so a safe distance can be kept

The welcome mulled wine is served at the table

Cleaning routines have been expanded

Catering is offered every day (pre-order only)

Coordinators control flows at the wardrobes and buffets

Coats can be taken to the dining rooms to avoid crowding in the cloak rooms

A history film is held in the cinema with scattered seats
