Opportunities beyond the ordinary.

Our unique venue offers an exclusive setting for private dinners and grand celebrations, accommodating 8 to 1000 people. Why not immerse yourself in the splendor of history when commemorating the most significant moments of your life?

Five dining venues, a cinema, secret bars, and a private 500-square-meter courtyard creates an iconic oasis in the heart of the city. It's a place where people gather, mingle, and create memories together—a space for creativity and community, where ideas flourish, and relationships grow. The food and beverages aren't just part of the experience but its very heart.

Welcome to Gamla Riksarkivet (The Old National Archives).

Gamla Riksarkivet's enriching history since 1887.

Enter an iconic building in Stockholm —a world where history intertwines
with a modern sense of exclusivity.

Gamla Riksarkivet, rising like a timeless palace from Riddarholmen in the heart of Stockholm's city
center, boasts a remarkable history dating back to 1887. The building tells stories from earlier
generations, and where the walls whisper about the past.

Placed in the heart of Stockholm, we not only provide insight into the city's history but also offer an op-
portunity for you, your friends, and colleagues to write your own chapter in the history book.
